Scope Comments

On August 12, 2013, WSP Pipe Co., Ltd. (the sole mandatory respondent in the concurrent antidumping duty investigation involving OCTG from Thailand) submitted scope comments to the Department regarding “pierced billets” and asked that the Department determine that such merchandise was outside of the scope of this and other OCTG investigations. The petitioners¹ filed rebuttal comments on August 22, 2013. We have not made any modifications to the scope of the investigations. For more information, *see* the Preliminary Decision Memorandum.²

Tolling of Deadlines for Preliminary Determination

As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013.³ Therefore, all deadlines in this segment of the proceeding have been extended by 16 days. If the new deadline

Methodology

The Department has conducted this investigation in accordance with section 731 of the Act. Export prices have been calculated in accordance with section 772 of the Act. Normal value has been calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <https://iaaccess.trade.gov>, and is available to all parties in the Department's Central Records Unit, located at room 7046 of the main Department of Commerce building. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Negative Determination of Critical Circumstances

On January 7, 2014, the petitioners filed a timely critical circumstances allegation, pursuant to section 733(e)(1) of the Act and 19 CFR 351.206(c)(1). We have preliminarily determined that critical circumstances do not exist for imports of OCTG from the Philippines.

Preliminary Determination

The Department preliminarily determines that the following weighted-average dumping margins exist:

Exporter/Manufacturer	Weighted-Average Dumping Margin
HLD Clark Steel Pipe Co., Inc.	8.90 %
All Others	8.90 %

Section 735(c)(5)(A) of the Act provides that the estimated “all others” rate shall be an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely under section 776 of the Act. The “All Others” rate is based on the weighted-average dumping margin calculated for HLD Clark Steel Pipe Co., Inc., the only company for which the Department calculated a rate.⁵

proceeding are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce. All documents must be filed electronically using IA ACCESS. An electronically filed request must be received successfully in its entirety by IA ACCESS, by 5:00 p.m. Eastern Standard Time, within 30 days after the date of publication of this notice.⁷ Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, the Department intends to hold the hearing at the U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Suspension of Liquidation

In accordance with section 733(d)(2) of the Act, we are directing U.S. Customs and Border Protection (CBP) to suspend liquidation of all entries of OCTG from the Philippines as described in the scope of the investigation section entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the *Federal Register*.

We will instruct CBP to require a cash deposit equal to the weighted-average amount by which the normal value exceeds export price, as indicated in the chart above.⁸ The suspension of liquidation instructions will remain in effect until further notice.

⁷ See 19 CFR 351.310(c).

⁸ See *Modification of Regulations Regarding the Practice of Accepting Bonds During the Provisional Measures Period in Antidumping and Countervailing Duty Investigations*, 76 FR 61042 (October 3, 2011).

Postponement of Final Determination and Extension of Provisional Measures

Pursuant to a request from HLD Clark Steel Pipe Co., Inc., in this investigation, we are postponing the final determination. Accordingly, we will issue our final determination no later than 135 days after the date of publication of this preliminary determination, pursuant to section 735(a)(2) of the Act.⁹ Further, HLD Clark Steel Pipe Co., Inc., requested to extend the application of the provisional measures prescribed under section 733(d) of the Act and 19 CFR 351.210(e)(2), from a four-month period to a six-month period. The suspension of liquidation described above will be extended accordingly.

International Trade Commission (ITC) Notification

In accordance with section 733(f) of the Act, we have notified the ITC of our preliminary affirmative determination of sales at LTFV. Because the preliminary determination in this proceeding is affirmative, section 735(b)(2) of the Act requires that the ITC make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports OCTG from the Philippines before the later of 120 days after the date of this preliminary determination or 45 days after our final determination. Because we are postponing the deadline for our final determination to 135 days from the date of publication of this preliminary determination, as discussed above, the ITC will make its final determination no later than 45 days after our final determination.

⁹ See also 19 CFR 351.210(b)(2) and (e).

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act and 19 CFR 351.205(c).

Dated: February 14, 2014.

Paul Piquado,
Assistant Secretary
for Enforcement and Compliance.
